

Submission of the Entire Proposal

10 points

Instructions: Now that you have completed all aspects of your research proposal you will be required to submit an entire proposal (i.e., title page, introduction, method, references, appendix). You will also be required to submit a summary of the comments you have received on your title page, introduction, method, references and appendix and you should tell us how you addressed our feedback in this final submission of your entire proposal.

Submission of the Entire Proposal

1. **5 Points:** Summarize the comments and write a response letter addressing the feedback you have received on your previous submissions of your title page, introduction, method, appendix, and references.
2. **5 Points:** Submit the entire proposal: title page, introduction, method, references, appendix.

Formatting: APA formatting, typed, 12 point, Times New Roman font, double spaced.

Submission and Due time: Submit your work to CatCourses by **09:00 AM on Wednesday, November 29, 2023.**
